464711 \$89.95

EuroWeave® Breeches

Ovation EuroWeave® fabrics are technologically advanced for riding comfort. They feature 4-way stretch for freedom of movement, wicking micro-fibers to pull moisture away from the body, memory-stretch fabrics to maintain shape and eliminate bagging or sagging, and high compression fibers to support muscles and reduce fatigue. All breeches are styled with slightly lower waist bands for an updated look.
